

Safety Goggles

uvex ultravision

uvex ultravision 9301

Comfortable, ergonomically designed full vision goggle with unrestricted side visibility provided by 180° panorama lens. Soft face and nose cushioning enables totally airtight and pressure-free fit. Exceptional wearer comfort guaranteed by unrivalled design, broad and fully adjustable headband, sophisticated ventilation system and optional non-fog lens. Easily replaceable lens. Special versions are available featuring tear-off lenses, additional comfort cushioning, flame-retarding PVC in signal red.

Remark: PC lenses do not fit into CA bodies (and vice versa)
