HASEEN HABIB HOUSE

Karachi - 2018

A Model Fire Protected Building

Haseen Habib House, a model Fire Protected building with state-of-the-art firefighting systems constructed as per the Building Code of Pakistan - Fire and Safety Provisions 2016. The building is fully equipped with Automatic Sprinkler System, Fire Pump, Hose Reels, Fire Alarm System, Automatic Clean Agent Fire Suppression System, Fire Doors, Emergency Escape Chute and an Emergency Evacuation Exit. Haseen Habib House also has a comprehensive product display center showcasing the latest and most innovative Fire & Safety equipment and is equipped with modern day facilities like Gym, Cafeteria and a Masjid.

HASEEN HABIB HOUSE

Lahore - 2022

Haseen Habib House, Lahore was inaugurated on October 26th, 2022. It now serves as our regional office for Punjab.

INTRODUCTION

Total Fire Protection and Safety with Authenticity, Credibility and Conviction.

We introduce ourselves as the leading ISO 9001:2015 certified Fire Safety Equipment and Systems company in Pakistan. Being third generation in the field of Fire Protection & Safety for last fifty-five (55) years, we are the largest Importer, Stockist and Installer of Fire Fighting, Safety and Rescue Equipment in the country. We claim to be the flag bearer of Fire Detection, Life Safety, Fire Suppression and Fire Fighting Systems in Pakistan. We are providing nationwide services to our esteemed strategic defense organizations, industries, government and multinational clients with highly professional, experienced and skilled workforce. Haseen Habib is operating with its Head Office in Karachi, Branch Offices, Display Centers and Training Center in Karachi, Lahore and Rawalpindi / Islamabad.

MANAGEMENT

FOUNDER

Hafiz Ateeq-ur-Rahman Barry (Late) was the co-founder of Haseen Habib and held the position of CEO-HHTPL from company's inception till he departed from this world on March 22, 2019. He was an undeniable leader in the Fire Safety in Pakistan. He started his business journey in 1968 and played a crucial role in the next 5 decades in spreading the Fire Safety awareness throughout the country. He even made door-to-door Fire Extinguisher sales in the early days of his career in order to create awareness. He was an upright businessman who always performed trade in the light of Holy Quran and Hadiths. From starting a business from scratch

when there was no Fire Safety awareness in the country, till establishing the strongest sales network across Pakistan, while also identifying new avenues till establishment of Haseen Habib House and winning many national and international awards, he always lead the way. His unmatched business achievements will truly be remembered; however, what we truly miss is his beautiful heart.

CHIEF EXECUTIVE

Mr. Fawad Barry is currently serving as the CEO of Haseen Habib Trading (Pvt) Limited. He possesses thirty two (32) years experience and has a proven track record during his tenures as Deputy CEO and MD of the company.

He completed his post-secondary education from Karachi before he travelled to various parts of the world and obtained several international academic accolades and trainings in the field of Fire and Safety. Fire Service College, UK and Ansul Fire School, USA are few of the prestigious institutions that he attended. He is also a

Member of the National Fire Protection Association (NFPA), USA. Being a famous spokesperson of this profession, he often conducts public awareness seminars and attends electronic media talk-shows.

Besides work, he is also the Founder of CPLC, NC – Chenesar Halt and played a key role in bringing the crime rate to zero in the aforementioned vicinity. Following the footsteps of his great father, Mr Ateeq ur Rahman Barry (Late), he is always the first to take part in the philanthropic activities and is also the Chairman of Haseen Habib Foundation Trust and a patriotic Pakistani who is standing tall against all unethical business practices.

He is a passionate cricketer who leads the Haseen Habib cricket team. He also represented Pakistan in the 50+ World Cups that took place in Cape Town, South Africa in 2020 and 2023, Karachi Championship 2020 and 2023 respectively. Haseen Habib also lifted many championship trophies under his leadership including Senior Cricket's Zonal Championship 2021 & 2022 and National Championship of 2022.

EXECUTIVE DIRECTOR

Mr. Jawad Barry is the Executive Director, with the academic background of Fire Protection Engineering from Seneca College - Canada, he is playing his role in protecting the society with fire and safety equipment for the last twenty four (24) years. Just like his father, he is a Hafiz-e-Quran and a pious businessman. He is also a passionate cricketer.

VISION

We believe in ethical business practices only and strive to be the leading and the most dependable company in Pakistan in Fire Protection and Safety. We know that every Fire Safety decision is potentially a matter of life and death, thus we ensure to provide only the best quality equipment and services. Our vision of a Fire Safe and Corruption Free Pakistan is reflected in all our values and actions.

MISSION

Protection of lives and property by providing appropriate, efficient and cost effective solutions and quality equipment in the field of Fire fighting and Safety to our customers supported by installation of equipment and training.

HSE POLICY

Our corporate policy is to work in such a manner as to prevent personal injury, loss or damage to the property or environment.

Safety is the utmost priority and all our employees from executive management to common workers are responsible in achieving our THREE ZERO TARGETS:

- ZERO ACCIDENT
- ZERO PERSONAL INJURY
- ZERO PROPERTY LOSS OR DAMAGE TO THE ENVIRONMENT

PROFESSIONAL TEAM AND WORKFORCE

We believe in the strength of Team Work and are an organization with around 200 members including highly professional engineers and skillful technical workforce engaged in designing and execution of projects and sales team. All of our offices are managed by highly experienced and qualified professionals with hard working and dedicated staff.

WORK

We specialize in fire and safety of high, ordinary and low hazard industry with a wide variety of products from the world's most trusted brands - readily available from our stock.

We deal in complete range of Firefighting Equipment, Fire Hydrants, Water and Foam Sprinklers System, Automatic Fire Suppression Systems, Gas and Flame Detection Systems and Industrial safety Equipment. We are currently providing services to Oil and Gas Fields, Oil Refineries, Power Plants, Chemicals Plants, Fire Brigades, Seaports and Airports, the Armed Forces, High Rise Buildings, Electronics and Telecom companies, Banks and various national and multinational organizations. We also conduct surveys, provide fire risk assessments, training, plans and consultancy services to different organizations.

You name it, we are already there!

AFFILIATIONS

We are:

- Member Pakistan Engineering Council
- Member Karachi Chamber of Commerce & Industry
- Member Korangi Association of Trade and Industry
- Member National Fire Protection Association, USA

ACHIEVEMENTS AND AWARDS

- ISO9000 Certification-2001
- Development of Firefighting Training Center-2007
- Tyco Consistent Performance Award in Thailand-2011
- Tyco Platinum Distributor Award in Thailand-2012
- Development of Project Division for design and installation of fire suppression systems-2012

- Best Revenue Contributor for Simplex-2020
- Shariah Compliance in 2020
- Haseen Habib House, Lahore -2022
- Johnson Controls Strategic Projects Award-2022
- Launching of ARB Fire Pumps by Haseen Habib-2023
- Recognition Award by 3M-2023
- JCI Outstanding Growth Partner Pakistan Award-2023
- Launching of ARB Medical Center-2024

TRAINING CENTER

Training is the basic building block for safe work habits and a safe work environment. Training is the foundation of a quality work place in industry, government and public safety. Our Training Center located at Korangi, Karachi plans and delivers quality training on Fire and Safety to enhance the ability of the workers to protect life, property and environment.

PROJECT DIVISON

Being the largest installer of Fire Suppression Systems in the country, we have established an EXCLUSIVE PROJECT DIVISION where number of professional engineers in Electrical, Electronics and Mechanical engineering are dedicatedly working to design and install all kinds of Fire Alarm and Suppression Systems, Fire Hydrants Systems, Sprinklers, Clean Agent & Foam Systems. List of our satisfied clients for such systems has crossed to over 10,000 throughout Pakistan during the last two decades.

EXHIBITIONS AND SEMINARS

We at HASEEN HABIB endeavor our best to create a better understanding of Fire and Safety among our people. For this purpose, we hold seminars, arrange exhibitions and conduct demonstrations from time to time.

We have also introduced Internship and Training Programs for engineering students to equip them with necessary skills and knowledge required in the field of Fire Engineering.

ENHANCING FIRE SAFETY AWARENESS

Pakistan witnesses substantial annual losses in life and property due to fire incidents, prompting Haseen Habib to spearhead a comprehensive fire safety awareness campaign. Utilizing diverse channels, Haseen Habib's CEO, Fawad Barry, engages in media talk shows, radio programs, seminars and schools on grass root level to reach a broad audience, emphasizing the importance of fire safety measures. In addition, Haseen Habib sponsors events aligned with its mission and publishes a dedicated safety guide, reinforcing crucial information on fire safety practices. Through these initiatives, Haseen Habib is actively contributing to minimizing the impact of fire incidents and building a fire safe Pakistan.
